Ayn -- I have lost track of this. Are you trying to draft a response? I don't think I have seen it, but am I wrong?

Jim,

On October 10, 2012 EPA received a letter from Jeff Wojahn of Encana. I assigned the response to Ayn. She said that she sent you a draft response. Is the response ready to be sent out? The AX control is due today. If additional time is needed to prepare and route the response, I can request an extension. Please let me know. Thanks!
